REPORT ON TREE PLANTATION PROGRAMME

The National Service Scheme Unit of Shree Saraswati College of Nursing, Tondavali has organized A very auspicious tree plantation programme under the “Azadi ka Amrit Mahostav” on 17/08/2022. The objective of this event was to enhance awareness about the importance of tree plantations and to promote environmental values and Institutional Social responsibility. This was a great initiative to make our atmosphere neat and clean. By tree plantation, we can develop a climax ecosystem free of greenhouse gases to reduce global warming, and also we can beautify the areas for scenic beauty.

The program was inaugurated by Mr. R. J. Pawar Tahsildar and other members, along with Principal Mrs., Shakuntala Nagraj Shree Saraswati College of Nursing Tondavali. We planted round about 10 saplings near Tahsildar Office encouraging community to help the nature grow and help keep the healthy environment.

All the students and teachers participated in this program.

Programme ended with vote of thanks for the participants and was successful.
